## DANCER DROP-OFF POLICY

One parent or guardian ONLY will be asked to drop-off their child at the dressing room and sign their child in. When picking-up your child at the end of the recital, the same parent who dropped-off the child, is asked to come to the dressing room and sign your child out. At that time, our staff will bring your child to meet you. You may have to wait for a short time in-line to pick-up your children, please allow time for this in your schedule. Our top priority is always the safety of your children.

We understand everyone is extremely busy, however, we ask you to keep in mind that all dancers (the dancers who dance at the beginning of the recital and the dancers who dance at the end of the recital) deserve a thunderous applause. Once a dancer is in our care during the recital, you will not be able to pick them up until after the recital is over. If you must leave early, please send us an e-mail by May 7th so we can add this information to the volunteer package assigned to your child's class.
